

At Some Point
You Will Be the
NEXT PERSON
on Earth

Sobering thought, isn't it? You may not have realized it, but every second, two people die. What happens then? Is there a Heaven and Hell? Are you "good enough" to get to Heaven? Look at the Ten Commandments. Have you ever lied or stolen? (regardless of value) Ever looked with lust and therefore committed adultery in your heart? (see Matthew 5:28) You may see these as "no big deal" but God sure doesn't. He is Holy and said, "be Holy, for I am Holy." God sent His Son, Jesus, to live the perfect life we never could. He took God's wrath on the cross for sinners. Jesus paid the punishment for our sins against a Holy God. Then He rose from the dead. Cry out to God for mercy, confessing and forsaking your sins. Put your trust in Jesus (rather than "good works") to save you. Read your Bible daily and obey what you read.
